Sir,

Mortuary - Mangalore - construction - G.O. No. Mis. 3111 Law (General) dated 3rd October 1927.

The District Magistrate, South Kanara, requested sanction for the construction of a mortuary at Mangalore at an estimated cost of Rs.2,750/- vide Mr. White's letter No. 2375-27-D-1 dated 13th September 1927- whereas the Government Order noted above merely sanctions the construction of a temporary post-mortem shed. As a permanent mortuary can be constructed at a cost of Rs.2,750/-, I am to enquire whether

the

the District Magistrate should be asked to get the plans and estimates revised, and if so, to what extent.

I have the honour to be,

Sir,

Letter from the Registrar, High Court, No. 2375-27, D -1, dated 15th October 1927.

U.S.

In its letter No. 2375 - 27 -D -1, dated 13-9-1927 the High Court stated that the D.M. South Kanara had asked for the allotment of Rs. 2750 for the construction of a new mortuary at Mangalore and requested orders of Govt. whether with reference to G.O.No. 2281 Home(Judicial), dated 9-10-1918 and G.O.No. 603 Home(Judicial), dated 3 - 3-1920 the construction may be sanctioned.

2. According to the above G.Os. permanent mortuaries are to be constructed only at places where the number of post-mortem examinations conducted come up to 52 or more a year, and temporary sheds are to be constructed at - places where the number ranges ~~from~~ between 12 and 52. This decision was reached after detailed examination.

3. In G.O.No. 3111 Law(General) Dated 3-10-1927, in which the High Court's letter referred to in paragraph 1 above was disposed of, only a temporary shed was ordered to be erected at Mangalore. This order accords with the general orders referred to in paragraph 2 above, as the number of ~~xxxx~~ post-mortem examinations held at Mangalore during the last three years was stated to average only 15. The High Court now asks whether the D.M. should be asked to ~~forward~~ get the ~~revised~~ plans and estimates/ revised and if so to what extent.

4. There has been no definite money limit laid down which is uniformly applicable to all places. But it ~~was~~ has been decided in another connection that an amount of Rs. 500/- would be more than sufficient for a temporary

position may be explained to the High Court and they
shed. For orders whether the ~~High Court~~ may be informed
that it is enough ~~that~~ if a temporary shed is constructed
within an amount of Rs.500. (The D.M. will no doubt
address Government if he considers this insufficient.) If so
the draft letter is submitted for approval.

is to be opened again, and that seems

was not the General

Subject the question discussed in another file
is about the construction of temporary post-

are hospitals or dispensaries. The question
was raised by the D.M. North Arcot and the

2 As regards Secy's remarks regarding

attention is invited to para. 2 of the
